

# Nurse-Family Partnership

[Nurse-Family Partnership](#) seeks to improve participants' lives in three key areas: pregnancy outcomes (by helping women improve prenatal health), child health and development (by helping parents provide sensitive and competent caregiving), and parents' life trajectories (by helping them develop a vision for their future, plan subsequent pregnancies, continue their education, and find work).

| <p><b>What is the model's approach to providing home visiting services?</b></p> | <p>Home visits take place based on a family's level of need and a child's age. Services are provided until the child's second birthday. Nurse-Family Partnership requires families to initiate services prenatally by the 28th week of pregnancy.</p> <p>Nurse-Family Partnership's target population includes the following:</p> <ul style="list-style-type: none"> <li> Expectant mothers</li> <li> Low-income or low-resource families</li> <li> First-time mothers</li> </ul> |
| <p><b>Who is implementing the model?</b></p>                                    | <p><b>Home Visitors</b></p> <p>Nurse-Family Partnership was implemented by 2,026 home visitors in 2019. The model requires a bachelor's degree in nursing for home visitors. The minimum caseload requirement for home visitors is 25 families.</p> <p><b>Supervisors</b></p> <p>Nurse-Family Partnership was implemented by 306 supervisors in 2019. The model requires a bachelor's degree in nursing for supervisors; a master's degree in nursing is recommended.</p>  |
| <p><b>Where is the model implemented?</b></p>                                   | <div style="display: flex; align-items: center;">  <div style="margin-left: 20px;"> <p>Nurse-Family Partnership operated in 272 local agencies across 41 states and the U.S. Virgin Islands in 2019.</p> </div> </div>  |

The NHVRC is led by James Bell Associates in partnership with the Urban Institute. Support is provided by the Heising-Simons Foundation and the Robert Wood Johnson Foundation. The views expressed here do not necessarily reflect the views of the foundations. For details about the methodology, see the *2020 Home Visiting Yearbook*.
