Notes • Data represent home visiting services provided by tribal-led organizations, as identified by six evidence-based home visiting models. • American Indian/Alaska Native pregnant women and families were identified by the race of mother or other primary caregiver and includes those who reported American Indian/Alaska Native alone or as one of multiple races. • Low income is defined as family income below the federal poverty threshold. • Single mothers include single, never married mothers or pregnant women.

The NHVRC is led by James Bell Associates in partnership with the Urban Institute. Support is provided by the Heising-Simons Foundation and the Robert Wood Johnson Foundation.
